

## Watt Meter 1P 1E (144X144)

**Product Categories:** [Electronics](#), [Engineering Equipment](#), [Panel Mounted \(Analog\)](#), [Panel Mounted \(Analog\)](#)

**Product Page:** <https://www.labappara.com/product/8100/>

### Product Description

Watt Meter 1P 1E (144X144)

**Features :**

Bright Red 6 digit LED display

DC Input voltage 40 to 60 V DC

DC Input current from Shunt. User programmable

KWH Display

Powered from DC measurement DC Power

AC supply optional

Measurement accuracy 0.1

Size 144X144 mm depth 100 mm

Input : 75 mV / 5 V

Resolution : 0.1 AH for Shunts < 25 A

1 AH for Shunts > 25 A

Current Display (Optional) : Floating Decimal

Supply : 230 V 50 Hz AC / 110 V AC / 24 V DC / 12 V DC

Size : 144x144 mm depth 150 mm
