

Analog & Digital Lab Trainer (With Breadboard)

Product Categories: [Bread Board Trainers](#), [Bread Board Trainers](#), [Electronics](#), [Engineering Equipment](#)

Product Page: <https://www.labappara.com/product/analog-digital-lab-trainer-with-breadboard/>

Product Description

Analog & Digital Lab Trainer (With Breadboard)

Specifications:

10 logic inputs and outputs

0-3vdc and 0-30vdc regulated variable supply

0-5v fixed dc supply

10-0-10 fixed ac supply

Logic probe

One seven segment

Features:

High functionality

Energy efficiency

Light in weight
