

Arithmetic/ Logic Unit (ALU)

Product Categories: [Digital Electronics Lab](#), [Engineering Equipment](#)

Product Page: <https://www.labappara.com/product/arithmatic-logic-unit-alu/>

Product Description

Arithmetic/ Logic Unit (ALU)

Features :

Instruments Comprises of fixed Output power supply of 5V. 12 Logic inputs selectable using SPDT switches & 8 logic output indicators & IC 74181. Circuit diagram is printed on the front panel.
