Product Description

Bottles Wide Mouth - Laboratory Glassware Equipment

Bottles Wide Mouth with interchangeable stopper for 15 mm Suba Seals.

The wide mouth designs are easier to fill and are recommended for solid, semi-solid and viscous liquid materials. Those with mouth openings less than 100 mm are guaranteed leak proof. Choose from our rugged lab quality bottles, lower cost lighter weight economy bottles, and space-saving square and rectangular options. Thermo Scientific bottles are made only from the highest quality plastic materials that meet pharmaceutical, laboratory and food grade standards our plastic resins are selected to minimize additives and reduce potential leachables.

Available in capacity(mm) -25 ml, 60 ml, 100 ml, 250 ml, 500 ml, 1000 ml
