

Measurement Of Distance By Capacitive Transducer

Product Categories: [Electronics](#), [Engineering Equipment](#), [Instrumentation Lab](#), [Instrumentation Lab](#)

Product Page: <https://www.labappara.com/product/measurement-of-distance-by-capacitive-transducer/>

Product Description

Measurement Of Distance By capacitive transducer

Non-contact measurement of displacement, distance and thickness as well as on electrical conductors and insulators

Unmatched accuracy for laboratories and industry

Customer-specific sensors and controllers

All capacitive sensors, cables and controllers are fully compatible

Versatile application possibilities due to comprehensive product range

The very latest controller technology ensures ease of use
