## **Product Description**

## Senior Secondary Biology Lab kit:

National Council of Educational Research & Training (NCERT), New Delhi, an autonomous organization under Ministry of Human Resource Development (MHRD), Government of India (GOI), has empanelled SCIENTIFIC INSTRUMENT TRADERS for manufacturering and supplying of Educational School kits developed by NCERT We are manufacturing and supplying superior quality Science Kits. Manufactured using premium quality raw material that assure its robust construction, corrosion & break resistance and longer service life, our offered products are highly appreciated all across the nation.

NCERT Science & Mathematics Kits. It is Use for teaching purpose in all school.

## SI. No. Name of the Item Technical Specification Quantity

#### Kit manual

Kit manuals may be purchased from sales counter of Publication Division, NCERT, New Delhi. The price of all the kit manuals are ranging Rs.50 to 200/1 No.

2.

Kit box with carton

Main Body of 26 SWG and partitions of tin sheet. Doors will be fitted 15 mm above the ground level with main body. Right hand door and left hand door should have two racks. The rack partition should have guides The doors should have suitable piano hinges duly spot welded/riveted etc. with main body. Provision for locking system& two folding type handle 6 mm dia for carrying box. Provision for supporting rest for hanging doors to be made . All over box size 470 x 450 x 280mm box weight should be  $5.75~\mathrm{kg}$ 

<u>+</u>100g
